Experiences

Internship Web Developer

Company Name : First ICT Solution

Summary

During my three-month internship at First ICT Solution IT company from September 2022 to December 2022, I had the opportunity to gain valuable hands-on experience in the field of web development. This internship provided me with a practical understanding of web development technologies and allowed me to contribute to real-world projects.

Junior Web Developer

Company Name : First ICT Solution

Summary

As a Junior Web Developer at First ICT Solution IT company, I played a pivotal role in developing a range of software systems, including POS, LMS, CMS, and custom applications, following project instructions. I actively contributed to full-stack web development using PHP, JavaScript, Laravel, and Vue.js. My responsibilities included database management, collaborative teamwork, version control using Git, problem-solving, and continuous learning. This experience has enriched my development skills and my ability to deliver quality solutions within project timelines. I am enthusiastic about applying my expertise to future challenges in the field of web development.
